Disclosure notice for unlisted disclosing entity

**ANNEXURE A**

**Phosphate Resources Ltd**

**Results at 30 April 2013**

The unaudited consolidated profit after tax of the company for the ten months of the 2012/13 financial year ending 30 April 2013 was \$ 20,858,000.

The unaudited consolidated net asset figure of the company as of 30 April 2013 was \$114,527,000.

The Board considers that this is an excellent result given that no bulk phosphate shipping was possible in April due to an upgrade of the cantilever loading system being undertaken.
